## SPECIFICATIONS

### PRODUCT

|  |   |
|--|---|
| <b>Name</b>  | Altispace Shapes  |
| <b>Content</b>   | Laminate material, wood frame, fiberboard, honeycomb door core.   |
| <b>Panel Thicknesses</b>                               | 2 in  |
| <b>Standard Sizes</b><br><i>*All sizes are nominal</i> | Sizes: 24 in x 24 in, 30 in x 30 in, 36 in x 36 in, 42 in x 42 in, 48 in x 48 in<br>Rectangle Size: 24 in x 48 in   |
| <b>Durability</b>                                      | Contract/Commercial   |
| <b>Maintenance</b>                                     | Dust and dirt on the panels and suspension hardware can be removed with a vacuum, and wipe off excess dirt or fingerprints by wiping them with a clean, dry and soft cloth. If this does not fully clean the panel, you can use a clean, damp and soft white cloth or sponge with a mild detergent to wipe down the beams. Refer to the Cleaning and Maintenance document for more details. |
| <b>Lead Time</b>                                       | Products are made to order and certain lead times will apply.   |
| <b>Environmental</b>                                   | Altispace Shapes are made using eco-friendly materials and practices. For more information, contact 226-636-5965.   |
| <b>Custom</b>  | Custom sizes and colors are available and may result in a minimal upcharge. Further customization (such as LED lighting integration) are also available at an upcharge.   |
| <b>Variation</b>                                       | Colors of laminate finish on screen may vary from actual product.   |
| <b>Acoustics</b>                                       | Test reports available upon request. Refer to the Acoustic Information document for more details  |
| <b>Fire Rating</b>                                     | Test reports available upon request. Refer to the Fire Rating Information document for more details   |
